Education, Academic background

2014. 9 – 2016. 3: Fellowship in cardiothoracic Anesthesia, Department of Anesthesiology and intensive care Medicine, Rajaee Cardiovascular, Medical & Research, Tehran, Iran

2009. 9- 2013. 9: Resident in General Anesthesia, Babol University of Medical Sciences, Babol, Iran

2007.9 – 2009. 9: Master of Public Health (MPH), Shahid Beheshti University of Medical Sciences, Tehran, Iran

2001.3- 2002-10: Internship, Tehran University of Medical Sciences Affiliated Hospitals, Tehran, Iran

1995.9 – 2001.2: Diploma of Medicine (MD), Tehran Azad University of Medical Sciences, Tehran, Iran

1995. 6- 1990. 9: Diploma of Natural sciences, Azadegan highschool, Organization for Development of Talent students, Gorgan, Iran

Training

2016: Western Medical Acupuncture

2011: Treatment course for withdrawal of substances abuse

2005: Research Methodology Workshop

Language ability

Persian (native)

English language (especially Reading and Writing).

Professional English to Persian translation (Medical texts).

Research Experience

2006 - 2008: Golestan Research Center of Gastroenterology and Hepatology

2007- 2008: Research Council of the Deputy of Treatment, Golestan University of Medical Sciences.

2014- up to now: Ischemic Disorder research Center of Golestan University of Medical Sciences

Medical Employment History

2003: Health center of Bojnord city, Khorasan province, Iran

2003: Health center of Aliabad city, Golestan province, Iran

2004: Aliabad hospital, Emergency department; Aliabad city

2005: Panjom Azar governmental University hospital, Emergency department; Grgan City, Golestan province, Iran

2005: Deputy of treatment of Golestan University of Medical Sciences

2006: Taleghani governmental University hospital, Emergency department

2006: Aghghalla general hospital, Golestan province, Iran

2013: Cardiac surgery center- governmental University hospital, Department of Anesthesiology and Critical care Medicine, Golestan province, Iran

2016: Shahid Sayad Shirazi governmental University hospital, Department of Anesthesiology and Critical care Medicine, Golestan province, Iran

2017: Rajae Cardiovascular, Medical and Research Center

Publications

Peer reviewed journal articles, English:

Crimean-Congo hemorrhagic fever: case series from a medical center in Golestan province, Northeast of Iran (2004). Jabbari A, Besharat S, Abbasi A, Moradi A, Kalavi K. Indian J Med Sci. 2006 Aug; 60(8):327-9.

The Study of Clients referred to Medical Commission, Gorgan University of Medical Sciences. Jabbari A., Besharat S. *Gorgan Journal of Nursery and Midwifery* 2006; 3 (2): 29-32

Posters or oral presentations at conferences

Incidence and predisposing factors of Hepatitis C in hemodialysis center of Gorgan city. Khodabakhshi B, Fazeli MR, Mojerloo M, Besharat S ,Jabbari A. ICGH5.Tehran 2005.

Epidemiological characteristics of inflammatory bowel disease in Golestan province, Iran. Shahryar Semnani , Nafiseh Abdolahi, Abas-Ali Keshtkar, Ali Jabbari, Sima Besharat, Gholamreza Roshandel, Danial Roshandel . ICGH5.Tehran 2005.

Relationship between serum levels of hepatic transaminase with histopathological features in patients with chronic Hepatitis B. Semnani S, Besharat S, Jabbari A,Abdolahi N,Roshandel GH ,Keshtkar A. ICGH5.Tehran 2005.

P53 protein in Gastric cancer: An Immunohistochemical study. Azarhoosh R, Semnani S, Besharat S, Jabbari A, Abdolahi N, Roshandel GH. ICGH5.Tehran 2005.

Gastrointestinal Tuberculosis in Golestan-Iran: A 5-years report. Semnani S, Besharat S, Rafiee S, Roshandel GH, Jabbari A, Abdolahi N, Keshtkar A. ICGH5.Tehran 2005.

Hepatitis C in hemodialysis center of Gorgan City. Khodabakhshi B, Jabbari A , Besharat S, Fazeli MR, Mojerloo M. ICID, Portugal 2006.

An Epidemy of El-tour in Golestan province, Northeast of Iran (Summer 2005). Khodabakhshi B, Golsha R, Besharat S ,Jabbari A. ICID, Portugal 2006.

Attendance in "The first Esophageal and Cardia Summit (ECCS-1)", Tehran, 2005.

Books

Population based cancer registry in Golestan province, 2007.

Thesis

directed thesis:

Comparing the intrathecal injection of dexmedetomidine plus Bupivacaine versus Bupivacaine on maternal hemodynamic and pain; and neonatal APGAR and arterial blood gas analysis in cesarean section under spinal anesthesia

My own thesis: *

Common sign and symptom in hypothyroidism, central part of Iran (MD degree)

Epidemiology of pediatric cancer, Golestan province- A population base study (MPH degree)

Incidence and prevalence of post dural puncture headache and some of the predisposing factor

Impact of last day evaluation before cardiac surgery on organ protection

Research and Teaching

2010. 2 -2014. 2: Nurse anesthetist for Bachelor degree

2014.2 – up to now: anesthesiologist

Additional experiences

2006: Statistical Package of SPSS

2005: Workshop of English writing article

2005: International Computer Driving License (ICDL)

2004: Computer Operating systems

Volunteer work

Volunteer physicians for natural disaster

Positions on boards or committees

Member of preboard certification Exam, first area of deputy of medical education, iran

Member of Editorial team of Caspian Journal of Internal Medicine

Significant achievements

Distinguished in Bord certification exam of Anesthesiology and critical care Medicine

Selected person in fellowship entrance exam
